

KCG2003-082 • Custom Wall Unit

The custom upper credenza has carved columns on each end, a bookshelf unit with 1 shelf in the middle, and pocket doors. The 3 open cupboard units across the top each have a light underneath. The lower credenza has a pull out television shelf with cooling slots in back of cabinet, a grommet hole for task light cord, mahogany veneer finish on the grommet holes inside and a modesty panel with a wire access door. All hardware is solid brass.
